## St. Gregory's Catholic Primary School PE and Sport Expenditure 22/23

There are 5 key indicators (KI) that schools are expected to see improvement in:

**Key Indicator 1:** The engagement of all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.

**Key Indicator 2:** The profile of PE and sport being raised across the school as a tool for whole school improvement.

**Key Indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport.

**Key Indicator 4:** Broader experience of a range of sports and activities offered to all pupils  
**Key Indicator 5:** Increased participation in competitive sport

Expenditure	Amount	Impact
Curriculum  <b>KI1, KI2, KI3, KI4</b>	£5, 117.00	As last years curriculum provided by Get Set 4 PE had such a positive impact, we continued with this scheme this year. This has proved to be a fun, comprehensive programme, which staff have shown an increased confidence in. All children are really enjoying the wide range of sports on offer. Providing a broad range of different sports and activities on offer at St.Gregory's, we hope to encourage more children to push themselves and challenge their capabilities.  We also used external agencies for teaching dance and drama and sword fencing. The children really took to the challenge of sword fencing and the dance/drama classes have enhanced the children's confidence in role play.
Maintenance  <b>KI2, KI4</b>	£265.00	Maintenance of our Astro Turf play areas. This is required as part of the health & safety terms and conditions.

Expenditure	Amount	Impact
Equipment <b>KI1, KI2, KI3, KI4</b>	£820.08	To ensure that the children have access to the correct equipment for the sports they are accessing, we purchased handballs, dodgeballs, bibs and tennis raquets.
Competitions <b>KI1, KI2, KI3, KI4</b>	£2,255.00	This year we participated in many different competitions, from local competitions through Inter Schools network, to allowing the children an opportunity of experiencing a sport outside of our region. The children have really flourished in embracing all of the competitions on offer and parent participation in providing transport when necessary to and from the competitions was really appreciated.
Celebrations <b>KI1, KI2, KI3, KI4</b>	£516.75	To celebrate the children's successes in PE and Sport, we provided many cups and medals for the children for their efforts. This encouraged all the children to really try hard in every aspect of the sport and also encouraged the children who were lacking confidence to believe more in themselves in the future.
Staffing <b>KI1, KI2, KI3, KI4</b>	£889.00	This year, we bought into a scheme with Ultimate Kids, whereby they provide PE staff who can take the children to some of the tournaments and also deliver an after school club relating to the sport, in preparation. This was greatly received by both staff and children to learn skills and develop their abilities in the sport.

**TOTAL EXPENDITURE: £9,862.83**
