

## Sports Funding

2018/2019

<u>Expenditure</u>	<u>Amount</u>	<u>Impact</u>
<u>Food</u>	<u>School Budget</u>	Healthy Eating programme established across the school. Following meetings with kitchen staff and Sefton, the school monitored and implemented new policies regarding hot dinners and packed lunches. New displays were set up a cross the school. The school website also provided children and parents with access to NHS healthy eating websites to help provide them with more information and guidance on how to live a healthier lifestyle.
<u>PE and Clubs</u>	<u>£2280</u>	As a school we continue to strive to provide the children with a variety of sporting opportunities across different sporting fields. This year we have brought fencing and free running into the school. Gymnastics and swimming are also available for Key Stage Two classes to prepare them for future competitions and give staff a chance to develop their own pedagogy.
<u>School Competitions</u>	<u>£1070</u>	Heavy investment in coaching, clothing, equipment and transport. This year are also hosting a 50 year celebratory jubilee competition on our school field.
<u>Equipment</u>	<u>£4298</u>	Repairing ropes in the hall and purchasing new gymnastics equipment. The school also purchased a state of the art artificial mini golf course. This provided all children with access to a different sport at break and lunchtime and open their eyes up to a variety of sporting opportunities.
Total for the year £7648
