

Sports Funding

2017/18

<u>Expenditure</u>	<u>Amount</u>	<u>Impact</u>
<u>Clubs</u>	<u>£1275</u>	This year we continue to pursue a variety of sporting opportunities for our children through extra curricular activities. This year they have included football, tennis, boxing, tai-kwondo circus skills, street dance, rugby and cricket.
<u>PE</u>	<u>£2195</u>	As a school we continue to strive to provide the children with a variety of sporting opportunities across different sporting fields. This year we have brought fencing into the school. As a school we also take health and nutrition very seriously which is why we have invested in an army based programme who educate the children in nutrition, fitness and teamwork.
<u>School Competitions</u>	<u>£1423</u>	This year the school has entered more competitions than in the past 10 years. For this to be possible we have heavily invested in coaching, clothing, equipment and transport.
<u>Sports Leaders</u>	<u>£433.50</u>	Our successful sports leadership programme continues to blossom under the tutorage of Everton FC.
<u>Equipment</u>	<u>£831</u>	This year we have invested in four new football goals, brand new football kits and clothing for our coaches too. We have also recently paid for a PE equipment company to visit the school and carry out a safety analysis on the equipment.
<u>Total £6157</u>
