

St. Gregory's Catholic Primary School

PE/ Sports Funding 15/16

Expenditure	Amount	Impact
Extra Curricular Activities		We continue to invest heavily in coaches who provide excellent coaching sessions for our children before and after school.
Equipment	£450.00	Basketball hoops, swimming hats, new football goals, boxing pads and boxing helmets were purchased for our lessons and clubs. We also paid a company to come in and fix our gymnastics ropes so that they were accessible during lessons.
Bought in Curriculum Services	£2300.00	At the start of this year we struck up 2 community partnerships with Liverpool Football Club and The Beth Tweddle Total Gymnastics organisation. We have invested heavily in both, so that our school can benefit from weekly PE lessons. This means that our children and our staff can receive the best coaching and will help us go forward in the future delivering lessons with confidence.
Payment for Schools Programmes	£350.00	We have once again paid to be a part of The Chesterfield High School Sports programme which gives opportunities for schools and their children to perform in a variety of sports against other schools in the local area.
Sports Leaders	£300.00	The uptake for our sports leadership programme has increased year on year. Therefore we decided to invest in some professional training for our Year 6 children. We invested in bring Everton Football Club coaches into the school to run a youth sports coaching programme for our keen sports coaches. We also purchased T-shirts for the children to wear throughout their sessions.
Total for the Year £ 3850.00
