100% Attendance- fantastic Year 3!

Over the next few weeks, we will be sending home a letter to our families, with all relevant information of trips that your child will be attending this year.

We have tried our best to keep the costs of trips down for parents/carers and have sought best price for coaches etc.

We will be costing all the trips as combined trips and will provide an opportunity for parents/carers to be able to spread the cost of the trips over the full academic year.

All our trips are based on the curriculum topics that the children are following, as well as being lots of fun! We could not arrange trips without the voluntary contributions from our families, however, if you are having any difficulties in making any payments for trips, please contact Mr Perree or Mrs King, in total confidence, and we will do our best to help.

Children who receive pupil premium/free school meals will receive trips free of charge. Please remember if you think you may be entitled to free school meals, contact Mrs King, again strictly confidential and she will advise how you can apply through your local authority.
