Dear Year 4 families,

It is with a heavy heart that St. Gregory's will be saying farewell to Mrs Gordon, our Year 4 teacher, at Christmas. Having been offered an incredible work opportunity, Mrs Gordon and her family will be emigrating to Australia over the Christmas holiday. We couldn't be happier for Mrs Gordon on this (though unexpected) exciting and life-changing opportunity. We wish Mrs Gordon and her family every happiness and success with their onward journey.

In the short time between learning this news and today, we have acted both quickly and thoroughly to find a teacher to continue the rest of your child's school year. We're delighted to have been able to appoint Miss Donnelly to take over from Mrs Gordon. The children have already met Miss Donnelly, and we will be making time for Miss Donnelly and Year 4 to get to know one another before the Christmas holiday. Miss Donnelly will also introduce herself to you, the year 4 families, in the coming weeks.

From the wonderful comments they shared today, we're sure the children will make Mrs Gordon's final weeks at St. Gregory's the best they can be, and we look forward to welcoming Miss Donnelly in January.

Best wishes,
