Headteacher: Mrs D. Albon

16th May, 2024.

Dear Parent/Carer,

Your child has been selected to play in several football matches which will take place on Thursday 23rd May 2024 as part of a 'Football Afternoon' at Northway Primary School.

As the weather has been so terrible this academic year, it has been almost impossible for the league games to be played due to rainfall and waterlogged pitches. This poor weather has made trying to organise fixtures with other schools extremely difficult and it has meant that the children have not played many games. Therefore, Mr Wright from Northway has organised and will be hosting a 'Football Afternoon' where the teams can play all their outstanding league matches. There are around ten schools attending and the children will be playing all of the teams they have not had the chance to play.

The matches will start at 1:00 pm and multiple pitches will be marked on their school field to allow several matches to take place at the same time. As the matches will be taking place throughout the day and with so many schools involved, no parents will be allowed to watch the games.

Mrs Wilford-Richardson will be attending the tournament with the boys. Please could you pick your child up at 12:45pm from St Gregory's and drop them at Northway Primary School. All games are scheduled to finish at 5:30pm so please can you ensure that you are at Northway at this time to collect your child.

Pupils will need to bring football boots, shin pads, a bottle of water and warm clothing in case of substitution. You may also wish to give your child some healthy snacks for them to have in-between matches. Please complete the consent form if you wish for your child to participate.

Any questions or concerns please contact us on yearfive@stgregslydiate.co.uk

Kind regards,

Miss Brown and Mrs Wilford-Richardson
