19<sup>th</sup> December, 2024.

Dear Parents,

We are delighted to confirm that we have now booked our trips for Year 3 children.

### **Norton Priory - 13<sup>th</sup> February 2025**

The children will access two full workshops during their trip, involving Anglo Saxon woodland settlers workshop. During their visit, the children will also include a fire pit experience, toasting marshmallows, tree identification exercises for flint and steel activity.

The coach will be leaving school just after 9am and will return for normal school finish time.

Children will need to wear their full school uniform and bring a packed lunch in a disposable bag.

### **Catalyst Science Centre, Widnes – 21<sup>st</sup> May 2025**

During this visit the children will be experiencing lots of science workshops and completing lots of activities.

The coach will be leaving school just after 9am and will return for normal school finish time.

Children will need to wear their full school uniform and bring a packed lunch in a disposable bag.

The total costs for the two trips is **£ 48.00**, which is inclusive of all workshops, resources and coach travel.

Costing for the trips will be combined and spread over the coming months, so as not to add pressure on parents, especially during this time of year. All we ask is a small deposit in the first instance to confirm your child's place on the trips.

We know the children are going to thoroughly enjoy their trips.

Yours sincerely,

*M. Gordon*

Mrs.M.Gordon
